Spouse: Susie

Location: Palm Desert, California

Biography:

After graduating from San Diego State University in 1970, Phil and Susie moved to Medford, Oregon where he joined the management team of a gourmet food company called Harry and David.

As the Lord would have it, a young pastor and wife from the Applegate Christian Fellowship (Jon Courson) moved right across the street from Phil and Susie. In no time at all, the missing piece of their lives was discovered, and Phil and Susie both surrendered their lives to Jesus.

Within four days of salvation, Phil was already leading his first verse by verse Bible Study and seeing people getting saved.

In 1980, Pastor Jon sent Phil and Susie to start a new work near Rogue River, Oregon. Then again in 1983, Phil was sent by Pastor Jon to the city of Roseburg to start Roseburg Christian Fellowship. The fellowship grew from four couples to a church family of over 1,000 people per Sunday.

Phil pastored Roseburg Christian Fellowship for 30 years before retiring and moving to Palm Desert, California where they now serve in various capacities with Poimen Ministries and in supporting roles at multiple local churches.
